250 WOMEN EXPECTED FOR UM GYMNASTICS CLINIC

MISSOULA--

A gymnastics clinic for approximately 250 high school and college coeds from throughout Montana will be conducted Nov. 15-16 at the University of Montana.

The Missoula clinic, sponsored through women's physical education at UM, will be under the direction of Mrs. Judy L. Barkley, health and physical education instructor on campus.

On Friday (Nov. 15) beginning at 3:30 p.m. the clinic will be for UM coeds. The Saturday (Nov. 16) segment of the clinic will be for students and instructors from various high schools throughout the state and other branches of the Montana University System.

Demonstrations will include movements on the uneven parallel bars, the balance beam floor exercise and the women's side horse vault by gymnasts from Nevada and Idaho.

Candy Oliver of the University of Nevada, who this year placed 11th nationally on the uneven parallel bars, will be among the performers and instructors during the two-day clinic.

The clinic will be in the Women's Center Gymnasium on the Missoula campus.
